Agenda Item #1—Call to Order

The January 21, 2009 MIOSHA Masonry Wall Bracing Advisory Committee meeting was called to order by Chairperson Kyle Lochonic. A quorum of advisory committee members was present.

Agenda Item #2—Approval of Minutes from December 10, 2008 Meeting

A motion was made by Ray Chapman and seconded by Scott Walkowicz to approve the minutes of the December 10, 2008 advisory committee meeting. **MOTION CARRIED UNANIMOUSLY.**

Agenda Item #3—Review Draft #16 dated December 10, 2008

The committee reviewed Draft #16 dated December 10, 2008 and made further changes as noted in Draft #17.

Agenda Item #4—Continue Comprehensive Review of CS Part 2

The committee completed its comprehensive review of CS Part 2. However, there was continuing discussion regarding the responsibilities of the controlling contractor.

The committee (with the exception of Pete Anderson) agreed on language regarding the responsibilities of the controlling contractor. This language is located in Rule 205 Restricted zone, wall bracing system, and signage responsibilities.

When the draft standard is presented to the Construction Safety Standards Commission, they will be informed that the committee could not come to a consensus on this one issue.

For next meeting:

- Patty Meyer's alternate language for Rule 211 will be added and discussed.
- Scott Walkowicz will finish the calculations for Table 4.
- Kyle Lochonic will provide a new, clearer Figure 3.
- Is language needed for "annual" fresher training?
